Reftel helpful as possible basis for revision/outlined  
in Reference Instruction. JCS awaiting USCINCEUR comments  
which will also be incorporated into package for earliest  
possible presentation to British and French. Most important  
question at this stage is securing British and French agreement  
to confining discussions to purely technical questions of  
air safety and determination extent their firmness in support  
our resumption of C-130 flights should it be necessary to do  
so without Soviet agreement.
